

“Superteam” 2010 Thanksgiving Camp

Thank you for your interest in what will be the 7th annual Superteam Thanksgiving Race Camp.

What it is: A concentrated 2½ day pre-season training camp to get USSA/WJR/MHSSC racers, of all ages and classes, comfortable with updated techniques, equipment, and “body changes” for the updated race season.

Where this is happening: Brule Ski Area in Iron River, MI. Roughly a 4 hour driver from Milwaukee, WI.

When: Friday, November 26th thru Sunday, November 28th.

Friday:

- Initial and GS specific drills w/ minimal gate (some hero or brush sets if time allows) and video work.

Saturday:

- GS gate training in the a.m., followed by additional GS or slalom drills in the afternoon. Video on-going.

Sunday:

- Slalom gate practice/drills, with video.

How much:

- Single day: \$70
- Two day: \$130
- Full session: \$180

(This does not include lift ticket. You will be responsible for providing your own lift ticket for the weekend.)

Application and Payment received after Nov 5th should include an additional \$30 late fee. Cancellations between Nov 5th and 19th will have a penalty assessed to your return of \$30. Any cancellation after the 19th is non-refundable. In the event of the camp being cancelled due to snow depth, your camp fees will be returned less \$30 to cover expenses incurred through the resort.

Who is involved: Area HS/WJR/USSA ski programs. The idea being that not everyone would have the time, or money, to travel out west. Yet, these people would still like to get quality training and a good jump on the upcoming season.

Coaching: We have an extremely talented group of coaches. Each coach has current USSA certifications, and all have years of ski race/coaching experience in anything from USSA through MHSSC. If you want more detailed information, feel free to contact us so we can talk with you on any concerns you might have.

What else:

- Low coach to athlete ratio is extremely important to us. And, as a result, the number of athletes allowed will be limited. It's strongly recommended that you get your information and payment in early to ensure a spot at this year's camp.
- Parents are also invited to ski at Brule; lift tickets will be determined by Ski Brule. Racer's tickets will also be honored for skiing after training.
- RADVO/Video will be used each day of the camp, with appropriate viewing opportunities.
- Lodging is not included in the package; however, Brule has everything from area condos/chalets to hotel style rooms in the immediate area (www.skibrule.com; 906-265-4957). Otherwise, the Americinn in Iron River, MI (www.americinn.com, 906-265-9100) is only 10 minutes away. It also has a pool/sauna/Jacuzzi/exercise room, and is within walking distance of some great places to eat.
- Snow; it is early season, so the natural precipitation has the potential to be minimal. Even so, Ski Brule has an amazing snow making system which allows them to blow snow early in the season. Total snow amounts on the hill can dictate the amount of time we can train, and is determined by management. Each morning we will monitor the available terrain to get the most out of our training.

What about food: Americinn serves breakfast starting at 6:30 a.m. McDonald's is 2 blocks away, open at 6:00 a.m. Brule also opens the kitchen at the same time for the ski camps, and will remain open throughout the day.

Payment: Checks can be made out to Superteam, and sent to:
